$2 + 5$

$80 + 30$

$128 + 36$

$10 + 5$

a, b

$a + b$

A diagram illustrating a function call and return. A thick grey line forms a rectangular loop. At the top-left corner, a small arrow points right. At the top-right corner, a small arrow points left. At the bottom-right corner, a small arrow points down. At the bottom-left corner, a small arrow points up. In the center of the loop, the text 'a + b' is written in yellow. Above the top-left corner, the text 'a, b' is written in white, with a small arrow pointing down towards the top-left corner.
